

Wake county Inspections/ Development Plans/Permits (IDPP) issues permits and performs inspections for the un-incorporated area of Wake County. You may use the Wake County/City of Raleigh Online Mapping Service known as IMAPS to determine the planning jurisdiction of your property.

You may find this resource at www.imaps/co.wake.nc.us/imaps.

IDPP also performs inspections under contract with the towns of Knightdale, Rolesville, Wendell and Zebulon. Contract towns issue their permits in their town halls.
