Feed the Bin School Recycling Contest!

The Feed the Bin Staff would like to encourage you and your school to recycle more paper this year! As an incentive we will be giving away 25 recycled-content t-shirts (made from recycled plastic bottles) to the top FTB recycler per quarter! The school with the **highest total pounds recycled in a traditional and year-round school** will receive shirts at the end of each quarter. (If you are trying to reduce your paper use see our website on entering the anti-litter contest for more prizes!)

You can use the t-shirts for a school club or group that helps with the program, sell them in your school store, or give them away in a school drawing! The quarters for the contest are shown below. Keep a tight eye on our website to see who is ahead! **We will contact your school's Recycling Coordinator if you have the highest total pounds at the end of the quarter.**

~ ~ Good luck recyclers!
