THE AMAZING
PLACE

Blue Jay Point County Park

Saturday, February 4, 2012

1— 4 pm

Join us as we reflect upon past successes in environmental education and anticipate future park projects. Your family can participate in “**The Amazing Place**” (like the Amazing Race) as you accomplish tasks and uncover clues to learn all about Blue Jay in this all-weather adventure (lots of stuff will be inside!) Even travel by train as you progress from the Blue Jay Education Center to the Lodge--each family who successfully completes all the activities will win a prize.

Special Note: The first 50 families that are present at the Blue Jay Education Center at 1pm will receive a special Blue Jay Reusable Totebag AND a “Fast Forward” to skip one challenge of your choice. You’ll also get the first slices of anniversary cake!

Sample of activities—something for everyone!

- Make a pinecone bird feeder
- Dipnet in the Blue Jay Pond
- Learn about our coming Natural Play Area!
