

Blue Jay Point Big Group Trip Tips

Tips for making your Trip to Blue Jay Point a Success!

- ★ Please call 870-4330 to let us know when you are planning to come. This is not a reservation, but will allow us to better serve you.
- ★ The large gravel parking lot should be used for extra parking. No parking is allowed on the side of the road.
- ★ Our picnic tables and grills are available on a first-come, first-served basis. We do ask that you be considerate when you claim tables. Staking out tables at 9 am for a 1 pm picnic keeps away others who could use the tables before that time.
- ★ In some seasons of the year, the fields are utilized by organized sports. This may affect your use of the fields.
- ★ You will have no access to electrical or water hook-ups.
- ★ Please do not dump charcoal on the ground, but leave it in the grills to burn out. Staff will clean grills the next morning.
- ★ There are labeled recycling containers with blue lids in the picnic areas. Trash cans have black lids. Please be aware of this when cleaning up your picnic area.
- ★ If you are bringing a pig cooker, please note that the park does not open until 8 am. The cooker should be parked in a parking space, with cardboard underneath.
- ★ “E-Z Up”-style tents are allowed.
- ★ If you are considering carnival-type events, please call us for information on our requirements and restrictions.
- ★ Reminder: No amplified music or alcohol is allowed at County Parks.
