

Freemasons

[Holy Blood, Holy Grail](#) by Michael Baigent (944 BAIGE)

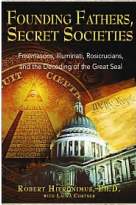

Is the traditional, accepted view of the life of Christ in some way incomplete? Is it possible Christ did not die on the cross? Is it possible Jesus was married, a father, and that his bloodline still exists? Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets of Christendom? Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible they are probably true! so revolutionary, so original, so convincing, that the most faithful Christians will be moved; here is the book that has sparked worldwide controversy.

[The Tutankhamun Prophecies: the Sacred Secrets of the Mayas, Egyptians, and Freemasons](#)

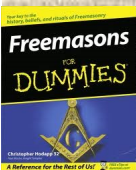

by Maurice Cotterel (932 COTTEREL)

Maurice Cotterell's background as a scientist, mathematician, and engineer helped him to decipher the code of the ancient Maya, revealing the mystery of their science and religion to an extent never before possible. Using the same techniques, the author turns his attention here to deciphering the secrets encoded within the tomb of Tutankhamun. His extensive research revealed that both the ancient Egyptians and the Maya possessed a sophisticated understanding of sun spot activity and other astronomical phenomena--facts recently confirmed by modern science. Knowledge of the connections between solar patterns and human destiny allowed the Egyptians and Maya to harness the energy generated by the sun to achieve spiritual enlightenment and soul growth.

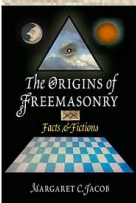

[Founding Fathers, Secret Societies](#) by Robert Hieronimus (929.9 HIERO)

All children growing up in America learn who the Founding Fathers were. Most, however, never learn of the founders' connections to the Freemasons, the Rosicrucians, and other esoteric orders. In Founding Fathers, Secret Societies, Robert Hieronimus investigates these important connections and how their influence can be traced throughout our most significant national documents and symbols.

[The Origins of Freemasonry: Facts and Fictions](#) by Margaret Jacob (366 JACOB)

Myths persist and abound about the freemasons, but what are their origins? Margaret C. Jacob throws back the veil from a secret society that turns out not to have been very secret at all, revealing the truth about an organization that fascinated the eighteenth-century public in much the same way it fascinates us today.

[Secret Societies of the Middle Ages: the Assassins, the Templars, and the Secret Tribunals of Westphalia](#) by Thomas Keightley (366 KEIGH)

This groundbreaking study examines the far-reaching history of the Assassins of the Middle East, the Knights Templar of Europe, and the Secret Tribunals of Westphalia.

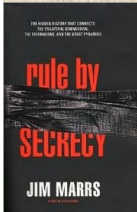

[The Second Messiah: Templars, the Turin Shroud, and the Great Secret of Freemasonry](#)

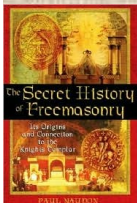

by Chris Knight (366 KNI)

For almost seven and a half centuries, a piece of cloth was venerated because it bore the image of the crucified Christ. However, but results of carbon dating have shown that the fabric could not have predated 1260. Now new evidence conclusively proves that it is not a face...yet neither is it the image of Jesus Christ. In the follow-up to their groundbreaking first book, The Hiram Key, Christopher Knight and Robert Lomas continue their research into the mysteries of Freemasonry and the true historical Jesus, and uncover the precise time and place of the shroudÆs creation. The answer to the great mystery of the Shroud of Turin will surprise and astonish as the authors unlock the secrets of abandoned Freemason rituals and the man who would be called the Second Messiah.

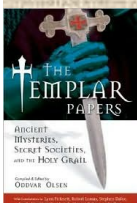

[Rule by Secrecy: the Hidden History that Connects the Trilateral Commission, the Freemasons and the Great Pyramids](#) by Jim Marrs (366 MARRS)

What secrets connect Egypt's Great Pyramids, the Freemasons, and the Council on Foreign Relations? In this astonishing book, celebrated journalist Jim Marrs examines the world's most closely guarded secrets, tracing the history of clandestine societies and the power they have wielded – from the ancient mysteries to modern-day conspiracy theories. Searching for truth, he uncovers disturbing evidence that the real movers and shakers of the world collude covertly to start and stop wars, manipulate stock markets, maintain class distinctions, and even censor the news. Provocative and utterly compelling, Rule by Secrecy offers a singular worldview that may explain who we are, where we came from, and where we are going.

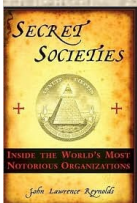

[The Secret History of Freemasonry: its Origin and Connections to the Knights Templar](#) by Paul Naudon (366 NAUDO)

Historian Paul Naudon reveals the intimate connection between the Masons and the Knights Templar, origins of Freemasonry in ancient Rome, and the traditions of the brotherhoods of builders. These traditions are the source of Masonic symbolism, providing the missing link between the Masonry of the medieval cathedral builders to the spiritual principles of modern speculative Masonry.

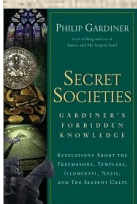

[The Templar Papers: Ancient Mysteries, Secret Societies and the Holy Grail](#) by Oddvar Olsen (271 OLSEN)

Much has been written about the group of 14th-century warrior monks known as the Knights Templar. Some authors, such as Dan Brown in The Da Vinci Code, portray them as folk heroes wrongly accused. Others disagree, saying the Templar story is ultimately one of greed, deception, and idolatry. Just who were the Knights Templar? And what is their legacy? In The Templar Papers, author and historian Oddvar Olsen has assembled a veritable Who's Who of experts to unravel the mystery. Instead of rehashing previous scholarship, this book delves into new aspects of Templar lore, such as the origins of the order and its supposed survival after 1314.

[Secret Societies: Inside the World's Most Notorious Organizations](#) by John Reynolds (366 REYNO)

John Lawrence Reynolds presents a comprehensive, behind-the-scenes look at the world's most notorious secret societies, including their origins and histories, initiations and rituals, secret signs and members. Offering an illuminating and entertaining exploration of the stories-confirmed and fabricated-that surround these societies, Reynolds dispels myths and provides gripping revelations.

[The Freemasons: the History of the World's Most Powerful Secret Society](#)

by Jasper Ridley (366 RID)

With his recent best-selling books and hundreds of articles, as well as radio and TV appearances, Philip Gardiner has started a crusade for uncovering the truth, and nothing could be more indicative of that search than his latest foray into the dark and often sinister world of secret societies. Yet again, Gardiner finds himself on a journey across the world to uncover the ancient secrets of the world's most powerful men. In one dramatic episode he finds himself driven out of Berlin in a black Mercedes by a secret organization that was believed to have disappeared after the second World War and eventually arrives in a modern Nazi watering hole. Gardiner, however, survives this incredible journey and brings us the secrets of the Order held sacred for so long.
