[Magic Bites](#) by Ilona Andrews

Earning a living cleaning up magical messes, mercenary Kate Daniels is drawn into a power struggle between two factions--necromancers and shapeshifters--within Atlanta's magic circles when her guardian is murdered. The *Kate Daniels series* continues with [Magic Burns](#).

[A Great and Terrible Beauty](#) by Libby Bray (Young Adult)

After the suspicious death of her mother in 1895, sixteen-year-old Gemma returns to England, after many years in India, to attend a finishing school where she becomes aware of her magical powers and ability to see into the spirit world. The *Gemma Doyle trilogy* continues with [Rebel Angels](#).

[Mercy Thompson Series – Moon Called](#) by Patricia Briggs

While trying to live a so-called normal existence, mechanic Mercy Thompson, a shapeshifter raised by werewolves, gets into trouble with the gremlins, witches, and vampires with whom she deals on a daily basis. [Blood Bound](#) is next in the series.

[Wuthering Heights](#) by Emily Bronte

In nineteenth-century Yorkshire, the passionate attachment between a headstrong young girl and a founding boy brought up by her father causes disaster for them and many others, even in the next generation. Read consistently by Bella throughout the Twilight series.

[Soulless](#) by Gail Carriger

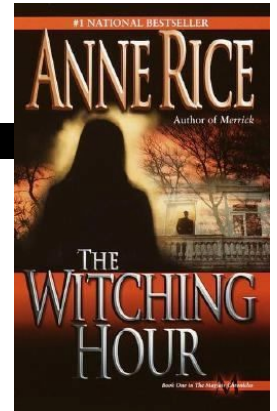

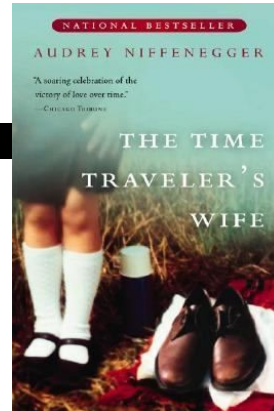

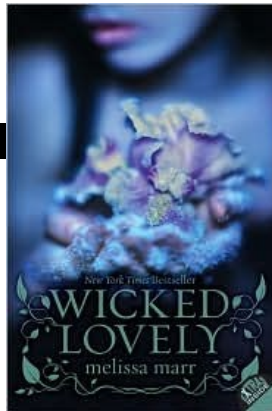

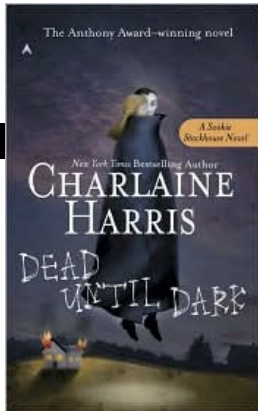

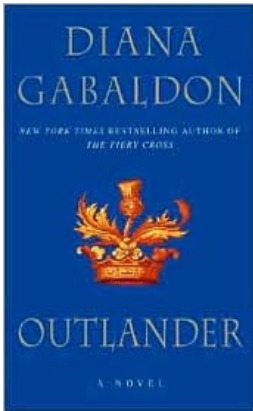

"Buffy the Vampire Slayer" meets Jane Austen in this wickedly funny debut novel, which kicks off Carriger's new series set in an alternate 19th-century London that not only knows about vampires and werewolves, but accepts them into the upper tiers of society.

[Night Huntress Series – Halfway to the Grave](#) by Jeaniene Frost

Half-vampire Catherine Crawford pursues the undead with a vengeance in the hope that one of her prey will be the father who ruined her mother's life, but her plans go awry when she is captured by Bones, a vampire bounty hunter. [One Foot in the Grave](#) is the next in the series.

IF YOU LIKE TWILIGHT FOR ADULTS

[Outlander by Diana Gabaldon](#)

Her husband is two centuries away, she is related to her lover's mortal enemy, and her neighbors think she's a witch. In this unforgettable novel of time travel, Diana Gabaldon fuses wry, modern sensibility with the drama, passion, and violence of eighteenth century as she tells the story of one daring woman and the man who loves her. This captures the romantic elements of Twilight. [Dragonfly in Amber](#) is the next in the series.

[Southern Vampire Series – Dead Until Dark by Charlaine Harris](#)

Love blossoms between Sookie Stackhouse, a cocktail waitress who keeps to herself because of her ability to read minds, and Bill, a vampire with ties to a crowd that may be responsible for the death of one of Sookie's coworkers. [Living Dead in Dallas](#) is next in the series.

[Wicked Lovely by Melissa Marr \(Young Adult\)](#)

Aislinn, a mortal teenager, has the gift, or perhaps curse, of being able to see faeries. She has always been able to see them, has been distracted by their presence, but has always done her best to ignore them and not let on that she sees them. When Aislinn begins to notice an increase in faeries, she is disconcerted. Her worries multiply when she discovers she is being trailed by two faeries in particular, who believe her to be their rightful queen. Unfortunately for Aislinn, she has no say in the matter. Though Aislinn desperately wishes to remain mortal and have the faeries leave her alone, she grows to understand that is not an option. Also try [Ink Exchange](#) and [Fragile Eternity](#).

[The Time Traveler's Wife by Audrey Niffenegger](#)

This is the story of Clare, a beautiful art student, and Henry, an adventuresome librarian. They met when Clare was six and Henry was thirty-six, and married when Clare was twenty-three and Henry thirty-one. Impossible but true: Henry is one of the first people diagnosed with Chrono-Displacement Disorder. Periodically his genetic clock resets and he finds himself misplaced in time, disappearing spontaneously for experiences alternately harrowing and amusing.

[The Witching Hour by Ann Rice](#)

Rowan Mayfair, a neurosurgeon with special powers and the descendant of a dynasty of witches, is drawn to Michael Curry, gifted with strange powers after a near-fatal accident, as they seek to unlock the secret of their talents.
