Clean Up Litter

FREE Kits to Check Out

FEED THE BIN (FTB) School Recycling Program is proud to offer Litter Clean-Up Kits to all FTB WCPSS schools for check-out. These kits can be used to clean up a variety of areas including school campuses, roadsides, and waterways.

Each Kit Contains

- 24 Vests
- 24 Pairs of Gloves
- 12 Litter Grabbers
- 1 Roll of Trash Bags (10-20 Ct)

To check out a kit, please call or email Feed the Bin at least 1 week prior to your clean-up event. Kits may be checked out for 2 weeks with extensions granted as needed.

Rewards for Cleaning Up

Cleaning up someone else's trash is hard work, and we want to make sure that your group is rewarded for their efforts. FEED THE BIN will hold monthly drawings for all school groups that participated in a clean up event during the month, regardless of whether you used one of our kits. One group will be randomly selected to receive a special prize. For the November and December drawings, the prize will be a set of FEED THE BIN t-shirts made from recycled plastic bottles. To enter the drawing, you must send us: (1) Your school name and student group, (2) The date and location of your clean up, (3) The number of garbage bags collected, and (4) Before and after pictures of your clean up site *by the last day of the month.*
