

# Wake County Hazard Mitigation Plan

## Table of Contents

### Section I: Introduction

A. Statement of the Problem .....	I-1
B. Purpose of the Plan .....	I-2
C. Authority .....	I-3
D. Participants in the Planning Process .....	I-3
E. Description of the Planning Process .....	I-4
F. Resolution of Adoption .....	I-7

### Section II: Mitigation Action Plan

A. Study Conclusions .....	II-1
B. Community Goals .....	II-2
C. Mitigation Objectives .....	II-3
D. Mitigation Actions .....	II-4

### Section III: Plan Implementation

A. Process .....	III-1
B. Funding Sources .....	III-1
Federal Programs .....	III-1
State Programs .....	III-3
Non-Governmental Sources .....	III-6

### Section IV: Plan Review and Update

A. Introduction .....	IV-1
B. Annual Review/Progress Report .....	IV-1
C. Plan Review and Update .....	IV-2
Review of the Plan .....	IV-2
Procedure for Amending the Plan .....	IV-2
Planning Board Review and Recommendation .....	IV-3
Board of Commissioners Review and Approval .....	IV-3

### Appendix A: Hazard Identification and Analysis

A. Introduction .....	A-1
B. Hazard Analysis - Evaluation Method .....	A-2
Likelihood of Occurrence .....	A-2
Likely Range of Impact .....	A-2
Probable Level of Impact .....	A-3
Composite Hazard Index .....	A-4
C. Natural Hazards Identification and Analysis .....	A-5
1. Coastal and Riverine Erosion Hazard .....	A-5
1.1 Coastal Erosion Hazard .....	A-6
1.2 Riverine Erosion Hazard .....	A-7
2. Dam and Levee Failures .....	A-9
2.1 Dams .....	A-9
2.2 Levees .....	A-14
3. Droughts and Heat Waves .....	A-16
3.1 Droughts .....	A-16

3.2 Heat Waves.....	A-19
4. Earthquakes .....	A-23
5. Floods .....	A-27
6. Hurricanes and Coastal Storms .....	A-30
7. Landslides and Sinkholes .....	A-35
7.1 Landslides .....	A-35
7.2 Sinkholes.....	A-36
8. Severe Storms and Tornadoes .....	A-38
8.1 Severe Storms (Thunderstorms, Hail and Lightning) .....	A-38
8.2 Tornadoes .....	A-46
9. Tsunamis.....	A-49
10. Volcanoes .....	A-50
11. Wildfires .....	A-52
12. Winter Storms and Freezes .....	A-55
12.1 Nor'Easters .....	A-55
12.2 Severe Winter Storms .....	A-56
D. NC Emergency Management Hazard Analysis for Wake County .....	A-59
E. Wake County Composite Hazard Index .....	A-60

**Appendix B: Assessment of Vulnerability**

A. Introduction.....	B-1
B. Community Description .....	B-1
Demographics and Employment.....	B-2
Developed and Undeveloped Areas .....	B-3
C. Critical Facilities .....	B-8
Rationale for Designating a Facility as Critical.....	B-8
D. Description of All Hazards Exposure.....	B-12
Vulnerable Populations .....	B-12
Flood Hazard Areas .....	B-12
Hazardous Area Intersection with Community Features.....	B-12
National Flood Insurance Program (NFIP).....	B-13
Repetitive Loss Claims.....	B-13
High Wind Hazard Vulnerability .....	B-13
E. Future Hazard Vulnerability .....	B-14
Redevelopment.....	B-14
Urbanization .....	B-15
F. Summary Conclusions.....	B-15
Current Vulnerability.....	B-15
Methodology for Calculating Current Hazard Exposure.....	B-16
Current Vulnerability to Hurricanes/Coastal Storms and Winter Storms/Freezes .....	B-16
Current Vulnerability to Flooding .....	B-16
Current Vulnerability to Severe Storms/Tornadoes and Wildfires .....	B-16
Methodology for Calculating Potential Future Vulnerability.....	B-16
Future Vulnerability to Hurricanes/Coastal Storms and Winter Storms/Freezes.....	B-17
Future Vulnerability to Flooding .....	B-17
Future Vulnerability to Severe Storms/Tornadoes and Wildfires.....	B-17

**Appendix C: Community Capability Assessment**

A. Introduction ..... C-1

B. Institutional Capability..... C-1

C. Existing Policies, Programs and Ordinances ..... C-6

    Land Use Plan..... C-7

    Growth Management Plan ..... C-13

    Watershed Management Plan..... C-17

    Open Space Preservation Plan..... C-17

    Zoning Ordinance..... C-19

        Water Supply Watershed Buffers ..... C-25

        Floodplain Management Program ..... C-27

    Subdivision Ordinance ..... C-30

    Soil Erosion and Sedimentation Control ..... C-32

    Building Code Enforcement ..... C-32

    Emergency Operations Plan for Multi-Hazards ..... C-32

D. Legal Capability..... C-42

    Regulation (General Police Power)..... C-42

        Building Codes and Building Inspection ..... C-42

    Land Use..... C-43

        Planning ..... C-43

        Zoning ..... C-43

        Subdivision Regulations ..... C-44

        Floodplain Regulation ..... C-44

    Acquisition..... C-46

    Taxation ..... C-46

    Spending..... C-46

        Capital Improvement Plan ..... C-47

E. Fiscal Capability ..... C-51

    Local Funds..... C-51

        Ability to Pay ..... C-52

F. Technical Capability..... C-52

    Geographic Information Systems ..... C-52

    e-Government ..... C-52

    Information Services ..... C-53

G. Political Climate..... C-53

**Appendix D: State and Federal Resources**

**Appendix E: Glossary**

**List of Tables**

**Section I: Planning Process**

Table I-1: Wake County HMP Team Members ..... I-3

Table I-2: Wake County HMP – Other Interested Parties ..... I-4

Table I-3: Plan Meeting Schedule ..... I-5

**Section II: Mitigation Action Plan**

Table II-1: Mitigation Action Plan – Ordered by Action # ..... II-7

**Appendix A: Hazard Identification and Analysis**

A-1: Explanation of Hazard Likelihood of Occurrence ..... A-2  
A-2: Description of Likely Range of Impact ..... A-2  
A-3: Description of Hazard Probable Level of Impact ..... A-3  
A-4: Composite Hazard Index Rating ..... A-4  
A-5: Dam Hazard Classification ..... A-10  
A-6: History of Dam Failures in Wake County ..... A-12  
A-7: History of Drought in North Carolina and the U.S. .... A-18  
A-8: Heat Index Chart ..... A-20  
A-9: Heat Index/Heat Disorders ..... A-21  
A-10: Heat Disorder Symptoms ..... A-21  
A-11: Modified Mercalli Scale of Earthquake Intensity ..... A-24  
A-12: Flood Event Data for Wake County ..... A-28  
A-13: Saffir-Simpson Hurricane Scale ..... A-31  
A-14: Hurricanes and Tropical Storms Affecting Wake County ..... A-32  
A-15: USGS Landslide Susceptibility/Incidence ..... A-35  
A-16: Thunderstorm and High Wind Data ..... A-39  
A-17: Hail Storm Data for Wake County ..... A-42  
A-18: Lightning Data for Wake County ..... A-45  
A-19: Fujita-Pearson Tornado Scale ..... A-46  
A-20: Tornado Data for Wake County ..... A-47  
A-21: Types of Wildfires ..... A-52  
A-22: Forest Fire Data for Wake County ..... A-54  
A-23: Dolan-Davis Nor'easter Intensity Scale ..... A-55  
A-24: Snow and Ice Storm Data for Wake County ..... A-56  
A-25: Natural Hazard Summary Assessment for Wake County ..... A-59  
A-26: Natural Hazards – Probable Level of Impact Data for Wake County ..... A-59  
A-27: Composite Hazard Index for Wake County ..... A-60

**Appendix B: Assessment of Vulnerability**

Table B-1: Selected Wake County Demographics ..... B-2  
Table B-2: Largest Employers in Wake County ..... B-3  
Table B-3: 2000 Census of Housing Units – Unincorporated Wake County ..... B-4  
Table B-4: Value Developed Facilities/Undeveloped Land–Unincorporated Wake County B-5  
Table B-5: Certificates of Occupancy ..... B-6  
Table B-6: Acres Susceptible to Flood Hazards within Wake County ..... B-7  
Table B-7: Critical Public Facilities ..... B-9  
Table B-8: NFIP Statistics – Wake County ..... B-13  
Table B-9: NFIP Statistics – Unincorporated Wake County ..... B-13  
Table B-10: HUD Wind Resistance Standards for Mobile/Manufactured Homes ..... B-14  
Table B-11: Projected Population Figures for Wake County ..... B-14  
Table B-12: Potential Hazard Exposure ..... B-15  
Table B-13: Wake County Vulnerability for Hurricane/Coastal Storms ..... B-18  
Table B-14: Wake County Vulnerability for Severe Storms/Tornadoes/Wildfires ..... B-19

**Appendix C: Community Capability Assessment**

Table C-1: Departments with Direct Impact on Hazard Mitigation ..... C-2  
Table C-2: Departments with Indirect Impact on Hazard Mitigation ..... C-5  
Table C-3: Land Use Plan Goals ..... C-8  
Table C-4: Water Supply Watershed Acreage ..... C-10

Table C-5: Growth Management Plan Common Planning Objectives .....	C-14
Table C-6: Wake County Zoning Districts .....	C-20
Table C-7: Riparian Buffer Zones – Water Supply Watersheds.....	C-25
Table C-8: Water Supply Watersheds Buffer Requirements.....	C-26
Table C-9 Wake County Soil Survey Flood Hazard Soils .....	C-28
Table C-10: Wake County Emergency Operations Plan Component Summary .....	C-33
Table C-11: Effectiveness of Current Policies and Ordinances .....	C-40

**Maps** (all maps are in map sleeves at the of the document)

- Wake County Land Use Plan Maps
  - Wake County Land Use Plan: General Classifications
  - Wake County Land Use Classifications
  - Southwest Wake Area Land Use Plan
  - Southeast Wake Area Land Use Plan
  - Northeast Wake Area Land Use Plan
  - East Raleigh/Knightdale Area Land Use Plan
  - Fuquay-Varina/Garner Area Land Use Plan (draft)
