## Wastewater Fees

| Individual On-site Wastewater (Septic Only)  | Fees   |
|--|--|
| Individual On-site Wastewater <ul style="list-style-type: none"> <li>• Improvement Permit (limit to less than 3 acres per evaluation)</li> <li>• Construction Authorization (includes Operation Permit)</li> </ul>   | <b>\$200.00</b><br><b>\$200.00</b><br><b>Total \$400.00</b>                    |
| (Includes requested revisions to existing construction authorizations)   |  |
| Manufactured/Mobile Home Relocation (Construction Authorization Only)<br>(No modifications needed/no change in design flow)  | <b>\$200.00</b>  |
| Manufactured/Mobile Home Relocation (Improvement Permit & Construction Authorization)<br>(Modifications needed/change in design flow)<br>Improvement Permit & Construction Authorization   | <b>\$400.00</b>  |
| "1 + 1" Verifications<br>(Existing Onsite Wastewater systems only)   | <b>\$200.00</b>  |
| Design Fee for Manifold System   | <b>\$110.00</b>  |
| Extra Trip Fee (Penalty for unnecessary return trips on inspections)   | <b>\$ 75.00</b>  |
| Renew Septic Permit (expired from CA issued after 5 years)   | <b>\$200.00</b>  |
| <b>Field Consultation</b>  | <b>\$100.00</b>  |
| <b>Designed/Engineered/Large Systems</b>   |  |
| Engineered Wastewater Systems ( $\leq 720$ gallons/day design flow)<br>LPP or Pressure Manifold (excluding Industrial Process Wastewater) <ul style="list-style-type: none"> <li>• Improvement Permit</li> <li>• Construction Authorization</li> <li>• Design Review fee</li> </ul>  | <b>\$200.00</b><br><b>\$200.00</b><br><b>\$110.00</b><br><b>Total \$510.00</b> |
| Engineered Wastewater Systems ( $>720$ and $\leq 3,000$ gallons/day design flow)<br>LPP or Pressure Manifold (including Industrial Process Wastewater {regardless of design flow}) <ul style="list-style-type: none"> <li>• Improvement Permit</li> <li>• Construction Authorization</li> <li>• Design Review Fee</li> </ul> | <b>\$200.00</b><br><b>\$200.00</b><br><b>\$460.00</b><br><b>Total \$860.00</b> |

**Wastewater Fees Cont'd**

| <b>Designed/Engineered/Large Systems (Cont'd)</b>   | <b>Fees</b>                                 |
|---|---|
| Engineered Wastewater Systems (> 3,000 gallons/day design flow)<br>Connection is equivalent to 360 gallons/day design wastewater flow<br>• Improvement Permit (per connection)<br>• Construction Authorization (per connection)<br>• Design Review Fee (Variable based on # of connections) | Per connection<br>\$200.00<br>\$200.00      |
| LPP or Alternative Systems (O & M Inspections)<br>(Type V and Type VI Systems - per connection)<br>Connection =360 gallons per day design wastewater flow   | \$ 19.00/conn.                              |
| <b>Wastewater Inspections (in cooperation with NCDENR – DWQ)</b>  |   |
| Other Wastewater System Inspections<br>Connection is equivalent to 360 gallons/day design wastewater flow<br>• Package Treatment Plants (per connection)<br>• Single Family and Commercial Spray, Drip, and Sand filter Systems   | Per connection<br>\$ 19.00/conn.<br>\$57.00 |

### Well Fees

| <b>Well Permit Fees</b><br>(Individual. Semi-Public Domestic Drinking Water, Geo-thermal<br>and Irrigation Wells) | Fees            |
|---|-----------------|
| <b>Well Permits</b><br>(Includes sample collection by Wake County and laboratory<br>analysis)                     | <b>\$400.00</b> |
| Extra Trip Fee<br>(Penalty for unnecessary return trips on inspections)   | \$75.00         |
| <b>Water Analysis Fees</b><br>(Individual Water Analysis on Existing Wells)                                       |                 |
| • Bacteriological <sup>1</sup>  | \$ 50.00        |
| • Retest Bacteriological <sup>2</sup>   | \$ 5.00         |
| • Inorganic Compounds <sup>3</sup>  | \$100.00        |
| • Volatile Organic Compounds <sup>4</sup>   | \$100.00        |
| • Pesticide <sup>4</sup>  | \$100.00        |
| • Lead (Elemental) <sup>5</sup>   | \$ 20.00        |
| • Nitrate/Nitrite <sup>5</sup>  | \$ 25.00        |
| • Nitrate Only <sup>5</sup>   | \$ 15.00        |
| • Arsenic (Total) <sup>5</sup>  | \$ 20.00        |
| • Iron/Mud <sup>5</sup>   | \$ 20.00        |

<sup>1</sup> For existing wells, Customer may collect and submit bacteriological sample to Human Services laboratory for fee of \$25.00.

<sup>2</sup> For existing wells, Customer may collect and submit sample to Human Services laboratory for same fee as posted.

<sup>3</sup> For existing wells, Customer may collect and submit inorganic sample to Human Services laboratory for fee of \$50.00.

<sup>4</sup> For existing wells, Customer may not collect water sample for these compounds, requires Wake County-Registered Sampler for collection.

<sup>5</sup> For existing wells, Customer may collect and submit samples for these compounds to Human Services laboratory for same fee as posted.

**Health and Safety Division Fees**

| <b>Mobile Park Fees</b> (Fee Based on Number of Units in Park) | Fees            |
|--|-----------------|
| Mobile Home Park Annual Operation Permit: 2 – 10 units         | \$145.00        |
| 11 – 50 units  | \$280.00        |
| 51 – 150 units   | \$425.00        |
| > 150 units  | \$560.00        |
| <b>Swimming Pool Fees</b>                                      |                 |
| <b>Public Swimming Pool Annual Operation Permit</b>            | <b>\$275.00</b> |
| Public Swimming Pool Plan Review & Approval                    | \$250.00        |
| Re-inspection Fee  | \$75.00         |
| <b>Restaurant Plan Review Fees</b> (Effective July 14, 2003)   |                 |
|  | \$200.00        |
| • Restaurant   | \$200.00        |
| • Food Stand   | \$200.00        |
| • Drink Stand  | \$200.00        |
| • Limited Food Service   | \$200.00        |
| • Meat Market  | \$200.00        |
| • School Lunch Room  | \$100.00        |
| Resubmission plan review fee                                   |                 |
| <b>Tattoo Fees</b>   |                 |
| Tattoo Artist Fee  | \$100.00        |

### Erosion, Flood and Stormwater Fees

| <b>Sediment and Erosion Control *</b>  | Fees                         |
|--|------------------------------|
| Plan Review Fee (per disturbed acre or portion, <b>no cap</b> )                                      | \$250.00/ac.                 |
| Land Disturbing Permit (per disturbed acre or portion, <b>no cap</b> )                               | \$250.00/ac.                 |
| Plan Resubmission Fee (@ 2 <sup>nd</sup> and subsequent resubmissions)                               | \$75.00                      |
| Plan Renew Fee (Permit expired and renewal one more year)  | \$500/ac.                    |
| Subdivision Construction Plan Review (only Wake County)  | \$200.00/plan                |
| <b>Flood Study Report Reviews</b>  |                              |
| Major Study (total drainage area 100 or more acres – requires standard-step backwater analysis)      | <b>\$1000/ each Crossing</b> |
| Minor Study (total drainage area < 100 acres – standard-step backwater analysis not required)        | <b>\$500/ each Crossing</b>  |
| <b>Plan Resubmission Fee (@ 2<sup>nd</sup> and subsequent resubmission)</b>                          | <b>\$150.00</b>              |
| <b>Flood Certifications</b>  |                              |
| <b>Flood Certification Review</b>  | <b>\$50.00 each</b>          |
| <b>Flood Certification Verification</b>  | <b>\$50.00 each</b>          |
| <b>Stormwater New Subdivisions</b>   |                              |
| Stormwater Plan Review (per disturbed acre or portion with a Maximum 10 acres)                       | \$250.00/ac.                 |
| Stormwater Permit (per disturbed acre or portion with a Maximum 10 acres)                            | \$250.00/ac                  |
| <b>Plan Resubmission Fee (@ 2<sup>nd</sup> and subsequent resubmissions)</b>                         | <b>\$150.00 each</b>         |
| <b>Stormwater Commercial (Sliding Scale) *</b>   |                              |
| 0-9 Acres Plan Review Fee  | \$250.00/ac.                 |
| 10-19 Acres Plan Review Fee  | \$375.00/ac,                 |
| 20-29 Acres Plan Review Fee  | \$435.00/ac.                 |
| 30-39 acres Plan Review Fee  | \$470.00/ac.                 |
| 40-50 acres Plan Review Fee  | \$485.00/ac                  |
| <b>Plan Resubmission Fee (@ 2<sup>nd</sup> and subsequent resubmissions)</b>                         | <b>\$150.00 each</b>         |
| Note: 50 acres maximum charge.   |                              |
| Stormwater Permit Fees – Same as Plan Review Fee (s) Above   |                              |
| <b>Stormwater Residential/Individual Lots</b>  |                              |
| <b>New &amp; Existing Single Family Lots Exceeding Allowable % Impervious, Review and Permit Fee</b> | <b>\$400.00 each</b>         |
| <b>Plan Resubmission Fee (@ 2<sup>nd</sup> and subsequent resubmission New or Existing)</b>          | <b>\$150.00 each</b>         |
| <b>Stormwater Certification Review</b>   | <b>\$50.00 each</b>          |

\*All charges are per/ac or portion of acre. All dollar amounts are rounded up to the nearest dollar.
