RE: Committee to Elect Michael Dorman (FJSZEQ)- Certification of Prohibited Receipt
- \$150.00

Dear Ms. Poucher:

My Notice of Candidacy to the office of Fuquay-Varina Mayor was completed on 7-5-11. On the same day, I opened my campaign checking account using \$150.00 cash from my personal funds and recorded this amount on form 1210. In retrospect, I should have issued a personal check to be in compliance with campaign finance laws and in the future, will use authorized methods of contributing to my campaign.

Sincerely,

A handwritten signature in cursive script that reads "Michael".

Michael Dorman

Jennifer Montgomery,

I spoke with Stephen Simos at the State Board of Elections regarding the \$150.00 cash contribution from Candidate, Michael Dorman, to open his campaign checking account. Stephen's recommendation was to send to the Wake County Board of Elections a letter from Michael Dorman certifying that the \$150.00 cash was from his personal funds. Attached is such letter from Michael.

Treasurer
Committee to Elect Michael Dorman.*
