Sills for Wake Sheriff 2010
Jay W. Sills, Jr., Treasurer
1419 Stone Lion Drive
Fuquay-Varina, NC 27526

Dear Mr. Sills,

Wake County Board of Elections is in receipt of the letter you submitted dated April 14, 2009, stating your employment status and the reference to the Hatch Act. As you have also read, the Hatch Act applies to you only while on duty.

I am enclosing all the forms you will need to resubmit your First Quarter Plus Report. Any activity prior to January 1, 2010 does not need to be disclosed. Therefore, the date that you withdrew to remain under the \$1,000 threshold, is the date you begin to disclose activity for this committee. As we discussed a few days ago, you will also need to submit a Disclosure Report Cover and a Detailed Summary form. In the future, these forms can be found on the NC State Board Campaign Finance website.

The directive from the NC State Board of Elections regarding disclosing your employment information is as follows:
Job title/Profession – seasonal mail handler/carrier (or whatever your duty is for the US Postal Service).
Employer Name/Specific Field – US Postal Service.

Some of the more numerous corrections for this audit are: for every contribution you personally have made to the committee must be supported by a CRO-1510 -In-Kind Contributions. Most of the pages submitted will require a complete rewrite or corrections. There are also additional corrections and amendments that will need to be made to bring this report into compliance.

There is a Second Quarter report due July 12th. The First Quarter Plus report must be correct to move forward on the audit for the next report. I will assist you upon request.

Please contact me as soon as possible so that we can work through any questions you may have regarding the amendments for this report.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Hagen".
