

CAMPER APPLICATION
WAKE COUNTY ENERGY DAY CAMP

July 8, 2019 – July 12, 2019

The Wake County Citizens Energy Advisory Commission has held our Energy Camp since 1994. Rising sixth-grade students who reside in Wake County participate in a wonderful array of energy-themed activities for one entire week during the month of July. Wake County educators conduct hands-on energy demonstrations, conservation-themed projects, and field trips and site visits that allow all 40 participants to have a fun and information-filled week. While snacks are provided, campers need to bring a lunch every day.

Application fees are held to \$200 through the assistance of corporate sponsorships and individual donations. Partial scholarships are available on a limited basis. For scholarship application information or payment by credit card please contact Ms. Golden Graham, Wake County General Services (919) 856-5777.

The camp fee is \$200 and enrollment may be processed by credit card or personal check. No refunds.
