Notes:

\* Real Estate reappraisal effective.

(1) All taxable property is subject to the county-wide tax. Most property in unincorporated areas is subject to special district taxes. The County's property tax is levied each July 1 on the assessed value listed as of the prior January 1 for all real and personal property located in the County except for certain registered motor vehicles which are assessed and collected throughout the year. Assessed valuations are established by the Board of County Commissioners at 100% of estimated market value for real property and 100% of actual value for personal property. Public service company property is certified by the State of North Carolina at 100% of actual value, with no distinction between real and personal property values.

(2) A revaluation of real property is required by N.C. General Statutes at least every eight years. The last revaluation was completed tax year 2008 (fiscal year 2009).

(3) Per \$1,000 of value.
