Addendum #1

RFQ: 20-074 Architectural and Engineering Services for Wake County Renovation Projects.

Notice to all,

Question and Response:

Question: Page 5 of 8, under section A.3, states that there should be references listed for only four projects listed in your firm's previously submitted RFQ response that best exhibit your ability to complete renovation projects. Was there a previous RFQ that was a prerequisite to this one?

Response: No. There is no previous RFQ / prerequisite. Wake County is requesting four references of similar type projects.
