### Landlord FAQs

#### What is the House Wake! COVID-19 Eviction Prevention Program?

The House Wake! COVID-19 Eviction Prevention Program provides financial assistance to tenants and landlords in Wake County to cover rent shortfalls resulting from a loss of income due to COVID-19.

The program will pay 100% of the tenant's unpaid rent owed for up to six months between March and Dec. 2020. As an agreement to receive public funding, landlords will forgive any remaining rent owed and offer three months of 25% discounted rent after assistance ends (Jan. – March 2021).

In exchange, landlords must also agree not to pursue eviction during the duration of assistance and for an additional ninety days after it ends. The tenant is required to pay the full discounted rent in the agreement of the landlord not pursuing eviction
