***Human Services Mission Statement***

**Wake County Human Services, in partnership with the community, will facilitate full access to high quality and effective health and human services for Wake County residents.  
March, 2014**

---

***Environmental Services Mission Statement***

**The Wake County Environmental Services Department improves the environmental quality of life for the stakeholders of Wake County through the following initiatives: Administration, Animal Services, Environmental Health & Safety, Solid Waste and Water Quality.**

**Administration:**

**The Administration Division leads sustainable and nationally recognized service deliveries for all segments of Environmental Services.**

**Animal Services:**

**The Animal Services Division is determined to make a difference for the animals and citizens of Wake County through education, adoption, enforcement and community partnership.**

**Environmental Health and Safety:**

**The Environmental Health and Safety Division improves public health through education, plan review, and inspection.**

**Solid Waste:**

**The Solid Waste Division protects the public health and safety of Wake County citizens by providing quality solid waste and recycling services that are efficient, cost effective and environmentally responsible.**

**Water Quality:**

**The Water Quality Division promotes leadership in water management, sustainability, and health by protecting high quality water throughout Wake County.  
May, 2016**
