

WAITING LIST - Most Frequently Asked Questions
WCHS – Child Care Subsidy – 220 Swinburne St. – Raleigh, NC 27610

1. Question: How does the waiting list work and how will I know if I'm eligible for child care?

Answer: Waiting List applications are screened based on the amount of gross income received and the need for services. The income guideline is based on the maximum gross income eligibility limits and the need for services is based on a family's individual need.
