WAKE EMPLOYEE AWARD WINNERS RECOGNIZED

The Wake County Board of Commissioners recognized employees during their meeting today, Monday, March 2, 2015, who have recently won five awards.

**American Institute of Architects Academy of Architecture for Justice:
Published Recognition in 2014 Justice Facility Review**

[The Wake County Justice Center](#), completed in July 2013, has been selected for publication in the 2014 Justice Facility Review for demonstrating quality of form, functionality and current architectural response to complex justice design issues.

**Triangle Business Journal:
Real Estate Award**

[The Vernon Malone College and Career Academy](#), a partnership between Wake County, the Wake County Public School System and Wake Technical Community College, won the Top State/County/Municipal Development Award in the Triangle Business Journal's Real Estate Awards.

**Triangle Business Journal:
Healthiest Employers Award**

Wake County was named the 20th healthiest [employer](#) by Triangle Business Journal during its third annual Healthiest Employer of the Triangle recognition in December 2014.

**City-County Communications and Marketing Association:
Savvy Awards, Silver Circle**

[Animal Center](#) volunteer Shannon Johnstone found a unique way to "market" dog adoptions by photographing dogs from the center in the natural environment of North Wake Landfill District Park.

**North Carolina Association of Government Information Officers:
Excellence in Communications Awards for Biggest Impact with Small Budget**

Wake County partnered with Yelp to provide access to [restaurant sanitation scores](#) so viewers to the site can see the restaurant's inspection score next to its customer reviews.

For a more detailed description of the projects and to view a video of the presentation, go to wakegov.com/commissioners/Pages/meetings.aspx.
