Join Us for a Learning Adventure!

The [Mobile Learning Adventure](#) (MLA) is a traveling exhibit that provides an opportunity for parents and caregivers to learn about the importance of early childhood education while they engage in fun activities with their children. A part of PNC, [Grow Up Great](#) is a \$350 million, multi-year initiative that began in 2004 to help children from birth to age 5 for success in school and life. The MLA includes interactive kiosks and the “What I Want to be When I Grow Up” station, where kids dress up as different professionals and have their picture superimposed on an appropriate background.

Here, There, and Everywhere: Exhibit and Programs to Connect Science & Community

East Regional Library will host a NASA exhibit called "Here, There, and Everywhere," from May 4–28. The exhibit will feature a series of panels that offer spectacular visual comparisons that span from the human scale on Earth to some of the largest structures in the cosmos. Throughout May, regional libraries across Wake County, will offer supporting programs that encourage all members of the family to explore topics ranging from discovering astronomy to exploring the seasons.

[Here, There, and Everywhere](#) was conceived, designed, and generated by a team at the Chandra X-ray Center, which is part of the Harvard-Smithsonian Center for Astrophysics in Cambridge, Mass.
