Wake County to Hold Flu Vaccination Clinics

With flu season right around the corner, it's time to start thinking about protecting yourself and your family. The Centers for Disease Control and Prevention recommends people 6 months of age and older get vaccinated against the flu each year.

Wake County is offering daytime and evening flu vaccine clinics that are open to the public. Clinics will be held at the Public Health Center at 10 Sunnybrook Road in Raleigh:

- Every Thursday through Nov. 17 from 9 a.m. – 3 p.m. in Clinic E
- Oct. 20, Nov. 3, Nov. 10 and Nov. 17 from 3 – 7 p.m. in room G-35

Wake County will also offer a flu vaccine clinic at the Millbrook Human Services Center at 2809 E. Millbrook Road in Raleigh on Oct. 27 from 1 – 5 p.m.

No appointments are needed.

Wake County accepts traditional Medicare Part B, Blue Cross and Blue Shield, Medicaid (adults 21 years and older with Medicaid may be charged a \$3 co-pay for their vaccine) and North Carolina Health Choice insurance. You must bring your insurance card with you.

For those without insurance, the cost for regular flu shots at Wake County Human Services locations is \$30. The cost of high dose flu vaccine is \$60.

There is no charge for flu vaccine this year for:

- Pregnant women without health insurance, or
- Children who qualify for the federal government's [Vaccines for Children \(VFC\) Program](#).

For those residents who cannot attend a flu clinic date, Wake County will offer the vaccine by appointment only at the following locations:

- Eastern Regional Center, 1002 Dogwood Drive, Zebulon
Call 919-404-3900 for an appointment.

- Northern Regional Center, 350 E. Holding Ave., Wake Forest
Call 919-562-6300 for an appointment.
- Southern Regional Center, 130 North Judd Parkway, Fuquay-Varina
Call 919-557-2501 for an appointment.
