## Annual Fall Harvest Celebration at Historic Yates Mill County Park September 16

Storytellers, live music, games and local food are among the many things awaiting visitors at this year's [Fall Harvest Celebration at Historic Yates Mill County Park](#).

The 12th annual celebration will take place on Saturday, Sept. 16, from 11 a.m. until 3 p.m. The free event is open to all ages and features harvest-related demonstrations and hands-on activities for the entire family.

Attendees can enjoy listening to live music, learning about pottery and soap making, participating in harvest-time singing and dancing, and looking at antique farm equipment and tractors. Local food vendors will be on site, and event-goers can also sample foods made from corn and other agricultural products.

The Historic Yates Mill, Wake County's last operable water-powered gristmill, will also be open from 10 a.m. until 4 p.m. for 30-minute tours and corn-grinding demonstrations conducted by costumed

interpreters. Mill tours are \$5 for adults, \$4 for seniors ages 60 years old and older, and \$3 for students ages 7-16 years old. Children six years old and under are free.
