Spring into April with Wake County Public Libraries

From stories to Star Wars, there's a lot going on at libraries across Wake County in April. Start spring with the following creative activities and events.

12th Annual Story Writing Contest

Young authors in grades 2 - 5 are invited to enter our annual Story Writing Contest. Participants can submit one entry, and original stories must be handwritten on 8.5-inch-by-11-inch paper and should not exceed three pages. Both sides of the page may be used, and illustrations are excluded from total page count. Entries are accepted April 1 - 29 at [West Regional Library](#).

Storybook Ball

Children ages 3 and older and their families are cordially invited to the Storybook Ball. Join us while the library is closed for a magical evening of dancing, crafting, stories and more. Come as your favorite storybook character or in your royal best.

Star Wars Fest

A short time from now, in a library not too far away ... Wake County Public Libraries will celebrate Star Wars and reading! Take part in a variety of exciting [Star Wars-themed events](#) for school-age children and families at your local library.

Visit one of our regional libraries the last weekend in April or the first weekend in May for a Star Wars Fest. Libraries will feature a viewing of “Lego Star Wars: The Freemaker Adventures,” as well as crafts and games for Jedi and stormtroopers of all ages. For adults, libraries will have an adult Sci-Fi Drop-In Program.

Visit one of our community libraries the first week in May to participate in a Super Special Star Wars Celebration. There will be crafts, games, trivia and books featuring your favorite Star Wars characters. Costumes are encouraged.
