For Release: March 28, 2019

Festival's 20th Year Promises to be Un-frog-etable

Popular annual event features frogs, food and fun

Make plans now to hop on over to Crowder County Park for the 20th annual Frog Fest on Saturday, April 6.

Learn about amphibians, reptiles and natural resource conservation while you enjoy games, crafts, live animals, entertainment and educational exhibits. This free, family-friendly event takes place from 11 a.m. – 3 p.m.

“Since this is a special year, we’re excited to offer something new in 2019,” said Ashley Martin, park technician for programs. “To celebrate 20 years of froggy family fun, we’ll be presenting the opportunity to climb like a tree frog up a rock wall!”

The rock will depend on weather and availability—so you might want to make it one of your first stops.

Highlights:

- Listen to performances by The Sandbox Family Fun Band and The Kudzu Ramblers
- Check out live reptiles and amphibians at the educational exhibits
- Take a look at our pond critters on the boardwalk
- Visit with Walipog, our Frog Fest mascot and Wake County's very own "Water Quality Frog"
- Play games and make crafts
- Enjoy food from local food trucks

Free, off-site parking and shuttle service will be available at Middle Creek High School (located at 123 Middle Creek Park Ave. in Apex). Crowder County Park is located at 4709 Ten-Ten Road in Apex.

For more information, please visit our [website](#) or call the Crowder County Park Office at 919-662-2850.

About Wake County Parks, Recreation and Open Space

[Wake County Parks, Recreation and Open Space](#) strives to provide outdoor recreation and educational opportunities while promoting environmental and cultural stewardship through a managed system of parks and open spaces. In 2018, more than 385,000 people visited Wake County's 10 parks and nature preserves.
