Night Owls and Candle Magic

Saturday
November 17
2018

6:30—9 p.m.

Barred Owl
© Stephen L. Tabone 2013

Last stroll begins at 8:30 p.m.

Bring the night owls in your family to enjoy the magic of a stroll along our luminaria-lined trail as you learn about the late fall seasonal activities of local owls.

~For all ages~

Enjoy hot cocoa (bring a small travel mug), lantern-lit craft projects, and other fun activities before you go home. Baby backpacks are recommended as strollers are not permitted on trail during event.

No dogs, please.

This event is **FREE** and requires **NO** advanced registration. If you have questions about how the evening “works” contact us at bluejaypoint@wakegov.com or (919) 870-4330

Blue Jay Point County Park is located
9.1 miles N of the I-440 beltline or
3.5 miles N of the I-540 beltline & Six Forks Rd
interchange— directions are available at
<http://www.wakegov.com/parks/bluejay>

Insiders Guide to Night Owls and Candle Magic

- ◆ Come at the beginning of the event—there is lots to do!
- ◆ No strollers on the trail, and no dogs at all, please.
- ◆ Upon arrival, participants should check in at the “Owl Clock” by the flagpole to receive a “timed ticket” to go on the Night Owl Luminary Trail. If you are part of a troop/tribe etc and wish to be part of the same trail group, your entire group must be present to get your tickets at the same time.
- ◆ There will be fun and educational walk-up activities available to do either before your journey on the Night Owl Trail, or after you have completed it—but get your ticket first!
- ◆ The Night Owl Trail itself will take approximately 40 minutes. The other walk-up activities will take more time than that—be sure to allow at least 2 hours for your visit.
- ◆ Bring a small travel mug for hot cocoa!
- ◆ Night Owls and Candle Magic is all **OUTSIDE**—dress one level more warmly than you think necessary.
- ◆ In case of rain, the event will be inside the EE Center .
