

Crowder District Park Rules and Guidelines

Shelter Rules and Guidelines:

Grill Use:

- Only charcoal can be used in the grills.
- **Do not pour water** or any other liquids over coals or grill surfaces.
- Leave the charcoal in the grill when finished – we will dispose of the charcoal.
- Pig cookers may be used on asphalt parking surfaces only. Cookers must be placed in a parking space with proper measures taken to ensure grease does not drip on the asphalt. The Heron Shelter is best for this.
- Gas grills may be used on gravel grill pads only. Take proper measures to ensure grease does not drip on the ground. Do not leave gas grills unattended.

- Return shelter tables to their original positions. Remove all tape from the tables and shelter supports. Do not use tacks or nails to secure decorations.
