

# Egg Carton Bees

**Step 1:** Draw stripes on your egg carton using either washable marker or sharpie. If your egg carton isn't already yellow, try coloring it with a yellow marker.

**Step 2:** Color your bees wings and cut them out.

**Step 3:** Glue on your bee's wings.

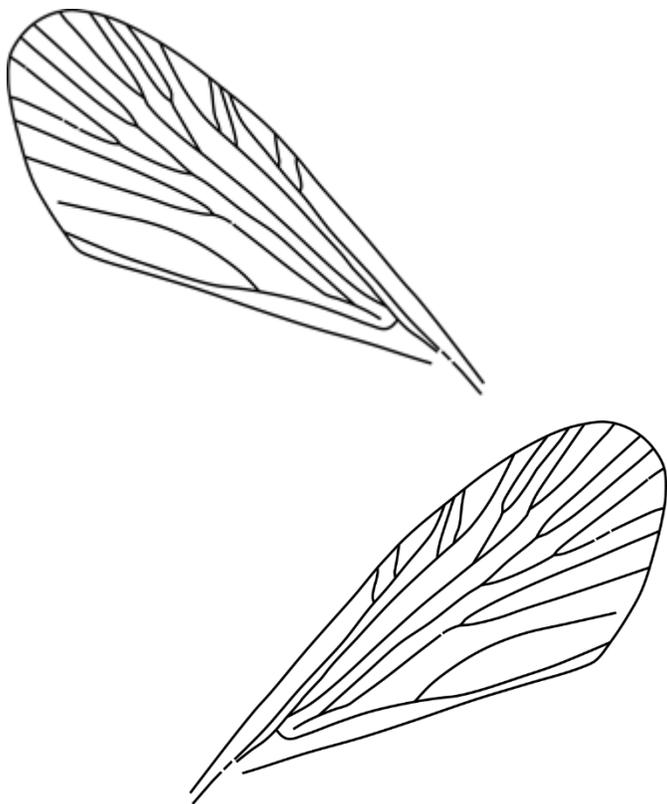

**Step 4:** Glue on your bee's googly eyes and draw on a smile! If you don't have googly eyes on hand, make your own using paper!

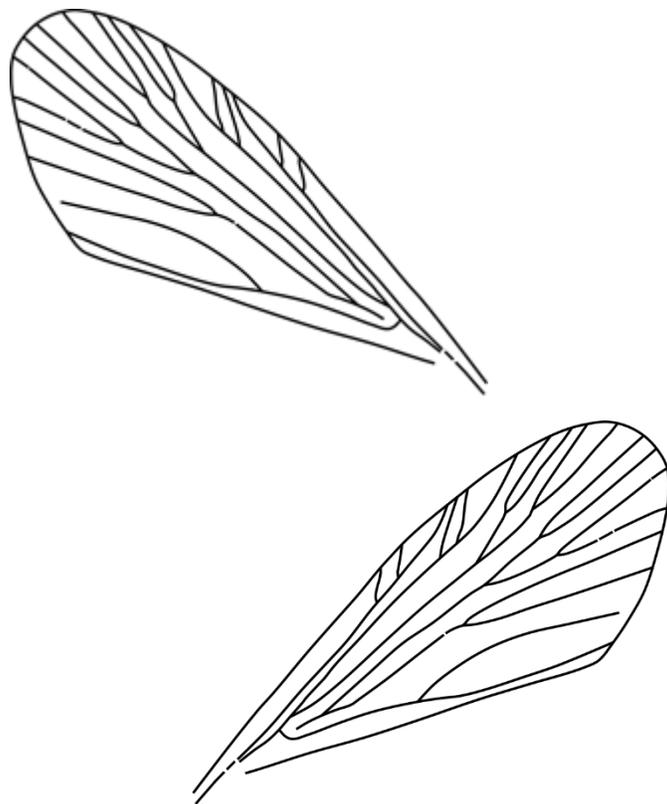

**YOU'RE ALL DONE!!**
