Crowder County Park

Position Title: Natural Resources Intern
Desired Start Date: End of September 2019 (flexible start date)
End Date: Beginning of December 2019 (flexible end date)
Term of Service: up to 10 hours a week (flexible)
Compensation: No

POSITION DESCRIPTION

As an intern at Crowder County Park, you will have the opportunity to gain skills and knowledge in the field of natural resource management through extensive hands-on experience and training. An ideal candidate enjoys the outdoors and is creative, considerate, and willing to work with our team. Job duties of the position are to help map and inventory the many plants and animal species of the park with a main focus on the implementation of an invasive species management plan. Individual will also have the opportunity to develop educational displays and handouts for the public. Interns will work both independently and part of a team. Knowledge of NC Piedmont environment preferred.

RESPONSIBILITIES

- Work with park staff to map and document the plant and animal species of the park
- Collect data for the parks Natural Resource Inventory Database and participate in Citizen Science Projects
- Identify invasive species of the park and execute a control plan
- Other tasks as assigned and agreed upon

REQUIREMENTS

- Able to pass a background check
- Willing to sign the Wake County Volunteer Release Form
- Pleasant and personable; relates well with people

DIRECT SUPERVISOR: The direct supervisor to the Natural Resources Intern will be the Park Technician based out of Crowder County Park.
