

Milling Around

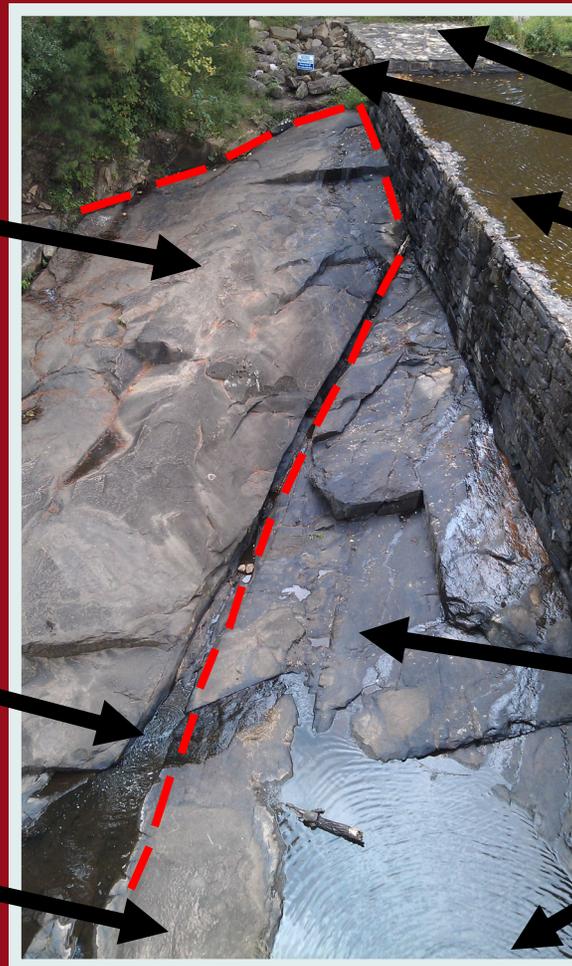

Where are you allowed to go around the mill and what's prohibited? Please review the map below.

**YES, YOU CAN BE
HERE—BUT PROCEED
WITH CAUTION!**

You are allowed to be in
this area but watch
out...anywhere the rock is
wet or looks dark in color,
it will be slippery.

Please do not cross over
this crevice in the rock
towards the dam.

PROHIBITED AREA
Do not approach the
wooden waterwheel.

PROHIBITED AREAS

**YOU ARE DEFINITELY
NOT ALLOWED HERE!**

The mill dam is 16 feet
tall at its highest point
with hard bedrock below.

PROHIBITED AREA

PROHIBITED AREA

No one should be under
the historic mill building.
