
DOG ALL-BREED FRIENDLY RENTAL HOUSING IN WAKE COUNTY

Many dogs are surrendered to the Wake County Animal Center because their family is moving and they cannot go along because of breed restrictions. The following list of rental housing does **not** have breed restrictions, which helps keep families together!

3 Points Properties has rental homes and townhomes in and around the Raleigh area. They accept pets with NO breed restrictions. Also, the pet fee is waived if the pet is adopted from a shelter. They believe that all animals should be accepted regardless of breed, weight or size.
