

How to Apply Online for Permits for Erosion Control – Single Lot Standard Plan

CSS: Online permitting for Watershed Management

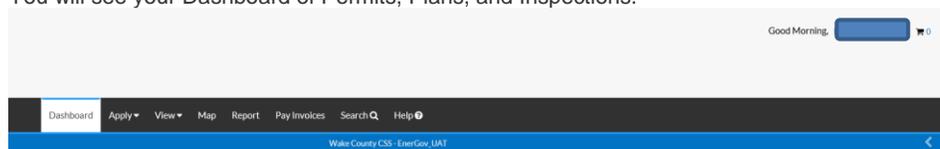

[Go to the Permit Portal](#)

Step One: Register. You will create a user name and password.

[Engineering Firms are encouraged to create a user name for the Firm rather than the individual that all employees can share]

Step Two: Login

You will see your Dashboard of Permits, Plans, and Inspections.

Disclaimer

[Previous Section](#) | [Top](#) | [Main Menu](#)

Please read and sign the following statement to finish the application. I understand and agree that I am using an electronic application process which requires me to provide my electronic signature. I understand that my application will be signed electronically when I select the check box below and by signing in this manner, I am legally bound to the representations, terms and conditions herein. The undersigned applicant hereby authorizes the filing of this application (and any subsequent revisions thereto). If the applicant is not the property owner (e.g., a prospective buyer), (s)he has obtained the owner/occupant's permission for the application and the County's entry onto the property. The undersigned also authorizes Wake County representatives to enter the site for the purpose of conducting inspections or evaluations to determine compliance with applicable laws and rules. The undersigned also understands, acknowledges, and certifies that: • To the best of his or her knowledge and belief, all information supplied with this application and on any attached documents is true, accurate, and complete. • Any false information may be grounds for rejection of this application or revocation of the permit or plan. (S)He is solely responsible for the proper identification and labeling of all property lines and corners and ensuring site accessibility. The undersigned applicant also understands the application and any communication and/or permits issued as a result of this application are public records subject to disclosure pursuant to the North Carolina Public Records Act (North Carolina General Statutes Chapter 132). By clicking the box below, I am agreeing to the Terms and Conditions presented electronically, I certify that I was technically able to open, read, print, or download this section of the application, and I have had reasonable opportunity to read and understand the application. I agree that my electronic signature has the same effect as if I signed in ink.

I agree with the Electronic Signature Agreement Yes
